## Postal Service Is Cut Here in Economy Move; P.O. Windows Closed

### Regular Mail Dispatch Now Following End of the Coal Strike

Antioch this week felt the effect of the federal postal service's economy when the hours of substitute clerk employment was reduced one third.

Postmaster Roy Kufalk said that after a four-day inspection of the local office the postal department had reduced the appropriation of substitute help hours from 5,467 allowed for July 1, 1949 to June 30, 1950 to 3,694 running from June 1, 1950 to June 30, 1951. This is a reduction of 1,773 hours, or five hours of service daily.

Kufalk said that because of this one window in the lobby will be closed permanently and the other opened for money orders only at rush periods. Mrs. Mabel Dow will not return as a substitute clerk and Wesley Carlsen will not work beyond his 90-day trial period.

"It will necessitate either greater efficiency or we will all be over-worked," Kufalk said. He is taking his turn with the others at the window.

Regular mail train service was resumed on the Soo Line Monday with the end of the coal strike.

## Many Bids Expected for Grade School Addition At Opening on Tuesday

Quite a number of bids on the Antioch Grade school addition are expected by next Tuesday when bids will be opened.

Principal Richard Whitacre said that several contractors obtained specifications and other information from the architects, Ganster and Henninghausen with the idea of submitting figures.

A bond issue already has been voted and issued ready for the project which calls for two class rooms, a cafeteria and kitchen, a combination gymnasium and auditorium, shower rooms and storage.

## Grass Lake Brownies Send First Schoolbag Overseas on March 10

To their knowledge Grass Lake Brownie Scout troop No. 11 is the first troop in Lakeside Council to send a schoolbag overseas in the Girl Scout International Service project, "School Mates Overseas."

The slogan is "Fill a Schoolbag For a Friend."

Just in time for the Girl Scout Birthday, Mar. 12, the schoolbag filled with pencils, paper, crayons, a few gay things to wear was sent to the Philippines Friday, Mar. 10.

The troop is planning to send two more bags in June. Some of the girls embroidered labels or made scrap books. Material for two bags was donated by Mrs. Halvorsen; Mrs. Nemece sewed them; Joanne Griffin designed a United States map with Illinois blocked in and Troop 11 name and number on one bag. Patricia Jesse designed five Brownies for the other bag. Mrs. Topercer donated the third bag and Judy Maleck donated a Brownie pattern for this bag.

A picture of the troop was included in the schoolbag.

## Antioch Aces Observe National 4-H Week and Select Their Officers

The Antioch Aces 4-H club observed National 4-H week with an organization meeting on Tuesday. This will be the eighth year of organization for the Antioch Aces.

Officers were elected for the coming year. Suzanne Birkhead was chosen president; Shirley Nelson, vice president; Nancy Sheehan, secretary-treasurer; Ruth Birkhead, reporter; Jean Tegelman, recreation chairman.

A constitution was adopted. The 19 girls present chose clothing as their club project. Some of the older members decided to carry a second project in Foods. Refreshments were served by the leaders.

**Conference Meeting Held**  
Principal T. R. Birkhead attended a meeting of school administrators of the Northwest conference Wednesday, March 8, at Northbrook at which ideas on cafeterias and cafeteria management were exchanged.

## Display Car, Accidentally Started, Knocks Russell Man Through Show Window

An automobile accidentally started, knocked John Selstrup of Russell through a plate glass window at the Feyerabend Studebaker sales room Saturday, breaking his leg.

Selstrup was said to have been looking at a new car being purchased by his son and was standing in front of it when someone accidentally stepped on the starter and the car lunged forward shoving him through the 6x10 foot window. He was taken to a Kenosha hospital.

The window had a valuation of \$200.

Just who started the car was not revealed.

## Allendale Troupes Antioch 92 to 31, Clinch Championship

The Allendale Tigers rolled up an easy victory over Antioch to finish an undefeated season and win the Northern Lake County Grade School Conference championship.

Allendale started fast, scoring 8 points in the first minute of play and led at the first quarter 29 to 8. Antioch came to life in the second quarter with some sharp shooting by Harold Wilson, and a defense that held Allendale to 10 points. The half time score read Allendale 39 Antioch 16. From here on Allendale led by Richie Cryer, ran up an impressive total. Cryer who was high scorer for the first time this year netted 24 points, followed by Bert Heuer with 21.

The Allendale Juniors also won the Conference championship for the junior division, when they defeated Antioch Juniors 36 to 31. The lead was held by Antioch until the start of the fourth quarter when it was a tie 24 all. Allendale finally went on to win, despite brilliant play by Antioch. Armand Heck and Dave Pelletier were high scorers for Allendale scoring 12 points apiece. Fritz Brotherton was high for Antioch with 13 points.

## Public is Invited to Gay Nineties Carnival

The Gay Nineties carnival at the Antioch High school tomorrow (Friday) evening will be public, school officials announced today.

The announcement was made to correct the impression that the event would be only for the students.

A pie-eating contest and variety music will be some of the entertainment along with the various contests at the booths.

## Postoffice Will Seek Larger Quarters Soon, Postmaster Kufalk Says

### Bids Will be Sought Within Next Four Months He Believes

There will be a new location for the Antioch postoffice before long, Postmaster Roy Kufalk said yesterday.

Postmaster Kufalk said he expects the postal department to advertise for bids for a room larger than the one now used in an effort to provide adequate space for increased business.

A postal inspector spent four days here last week observing the needs of the local office and while cutting down in the number of employees he advised more room for greater efficiency.

Kufalk would not speculate on the possible new location but said that he thought that at least two will be available and possible more when the bids are sought.

There is no way in which the present room can be enlarged to meet the demand of the office, Kufalk said.

The present lease extends to 1952 but it is said the owner of the building will agree to terminate it.

## V.F.W. Auxiliary Elects Officers; Install in April

Mrs. Myra Randall was elected president of the Auxiliary of Sequoit post No. 4551 Veterans of Foreign Wars at the organization's meeting Monday night.

Her staff of officers includes: Mrs. Pearl Anderson, senior vice president; Mrs. Kathryn Verkest, junior vice president; Mrs. Ellen Flint, treasurer; Mrs. Nellie Hanke, chaplain; Mrs. Laura Swanson, conductress; Mrs. Margaret Morris, guard; Mrs. Olive Hallwas, trustee for three years; and Mrs. Lydia Edwards, secretary.

The V. F. W. will elect its officers Monday evening and the two will have a joint public installation next month.

## Walter Kuligowski Joins New Chapter of Sigma Chi

Walter Kuligowski, son of Mr. and Mrs. Walter E. Kuligowski, Rte. 2, Antioch, is one of the charter members of the new Delta Chi chapter at Lake Forest college.

Alpha Sigma Kappa, local fraternity at Lake Forest college, recently received a Delta Chi charter and became its thirty-eighth active chapter. The installation and initiation took place Friday, Feb. 17th, at the Delta Chi house at the University of Illinois.

### Attend Guidance Meeting

Forty-four seniors of the Antioch High school attended the vocation guidance conference at Barrington High school Monday. They were accompanied by E. W. Edwards, a teacher in the school. The conference was highly valuable they reported.

## Robbers of Local Bank Held up Washington Bank, F.B.I. Believes

Federal Bureau of Investigation agents are seeking to establish a connection between the three men who recently robbed the Antioch National bank and three who robbed the Hamilton National bank of Washington D. C. on Feb. 17.

It was also a red-haired member of a trio who engaged in the Washington robbery and a black car was used there the same as here.

Meanwhile banks are to be notified of the serial numbers of the 25 marked \$20 bills in the amount of \$500 and the whereabouts of the burglars learned in that manner.

A reward totaling \$1,500 is being offered for their capture.

## Candidates Chosen for Carnival King, Queen At School Friday Night

The public is invited to attend the all-school gay nineties carnival in the high school gymnasium tomorrow (Friday) night.

The king and queen will be crowned at the variety musical. The candidates for king and queen will be voted for in the homerooms Friday morning. They are Marilyn Bushing, Mary Ellen Campbell, Diana Fox and Mary Ann Quilty for queen; and Bernard Haviland, Jack Mahoney, George Swenson and Fred Wolfe for king.

Three judges have been selected to award prizes for the best costumes worn by the boys and girls. Prizes will also be awarded the winners of the pie-eating contest, which will be held at 9:30 in the gym.

The committee for the variety musical include Joanne Migley, Jack Mahoney, Marilyn Bushing, and Mr. Hans VonHilde.

The booths entered include a huckeley-buck, a milk can pitch, a basketball toss, a balloon-dart, a duck-ring pitch, a baseball toss, a telegram booth. Joanne Migley is in charge of a photography booth where instant pictures will be taken.

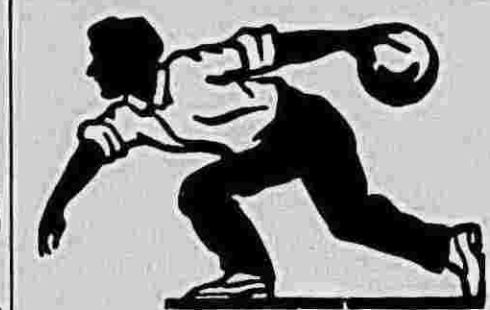

Dorothy Holt will read fortunes and Judith Gaston and Betsy Messing will sell balloons. There will also be food and root beer concessions.

Mary Ellen Campbell and Miss Iris McKinney are in charge of the carnival. Shirley Ross and Georgia Saylor are in charge of publicity.

## Petty to Address P. T. A. Of Grade School Monday

The Parent Teacher association of the Antioch Grade school will meet Monday evening at the school with W. C. Petty, county superintendent of schools as the speaker.

## Lake Villa Township Tax Budget Set for Action At Meeting on April 4

Lake Villa township residents will meet in the village hall at 2 p. m. April 4, to take action on the proposed budget and tax levy which Walton R. L. Taylor, executive secretary of the Lake County Civic league has termed "consecutive."

Tax levels for the town fund, which bears the overhead cost of township government, are "reasonable," Taylor commented. Salaries are unchanged, and the budget totals the same as last year.

"The tax levy to support this fund is within the range of high and low of recent years, and is well related to the budget," he declared.

The rapid building up of certain areas of Lake Villa township has brought an increase in the town poor fund over previous years, Taylor continued.

"Although the budget is somewhat in excess of last year's expenditures, the amount of that excess is not unreasonable," he stated.

### Poor Fund Omitted

"Relief fund cash balances were drawn down sharply by omission of a poor fund tax levy in 1948-49. The omission, taken on Civic league recommendations, was a step to forestall tax objections made by certain taxpayers on the grounds that the levies served to create unreasonable surpluses," Taylor declared.

Lake Villa officials have proposed a town fund budget of \$7,053 and a poor fund budget of \$9,515.

The tax expert recommended a change in the township's fiscal year. The accounting period currently stretches from Apr. 1 to Mar. 30. He urged adoption of a Mar. 1 to Feb. 28 fiscal year to eliminate the year end rush to complete book-keeping before the yearly town meeting on Apr. 4.

### Gets Canadian Trip

Miss Margaret Easton of Wilmet, Wis., will get an expense-paid vacation trip of one week at Randy's camp at Redditt, Ontario, Canada as the result of her visit at the Canadian booth at the Outdoor Sports show in Chicago. She is an employe of Pickard, Inc.

## Notre Dame Football Star to Be Speaker at School Athletic Banquet

### Ninety-five A. T. H. S. Boys To Be Guests of Lions March 27

William Wightkin, left end of the Notre Dame 1949 National football champions will speak at the annual athletic banquet of the Antioch Township High school Monday evening, March 27.

Ninety-five boys of the high school who have engaged in competitive sports will be guests of the Lions club which sponsors the banquet.

The meal will be served at 7 p. m., in the gymnasium and the Lions club is urging the fathers of the boys to be present as paying guests.

Loren D. Sexauer will serve as toastmaster and Irving W. Carey, president of the Lions club will give the address of welcome. The response will be given by Fred Wolf, senior, president of the "A" club.

Speakers will include Principal T. R. Birkhead, Supervisor William A. Rosing, of Antioch township; Supervisor A. E. Bennett, of Lake Villa Township; Walter K. Hills, president of the board of education; Coaches M. R. Kruzan and R. B. Scott; Mayor James W. McMillen and finally the principal speaker William Wightkin.

Sound movies will be shown of the Notre Dame football games.

## Antioch Teachers Will Attend Institute and Schools Close Mar. 24

Antioch high school and grade school teachers will attend the annual Lake County Teachers' institute Friday, Mar. 24, at the Waukegan Township High school.

Public schools will be closed on that day.

The institute faculty includes: Aubrey J. Holmes, secretary of the Teachers' Retirement system, Springfield, Ill.; Marion E. Burks, American, Illinois, and Chicago Bar associations, Chicago; Lester O. Schriver, lecturer-author-humorist, and business executive, Peoria, Ill.

Also, Dr. Leslie A. Holmes, president of Northern Illinois State Teachers college, DeKalb, Ill.; and Leslie Gilkey, music instructor of Waukegan Township High school.

There will be forenoon and afternoon sessions.

## Mrs. Ellen Flaherty, 86, Mother of the Pastor of St. Peter's Church Dies

Mrs. Ellen Flaherty, wife of the late Morgan Flaherty and mother of the pastor of St. Peter's church, Antioch died on Thursday, March 2, in the parish house. She had been living here since she suffered a paralytic stroke in 1944. Her husband died in 1945.

Born in Athea, County Limerick, Ireland on July 6, 1863 she came to Chicago as a young woman. She lived there all her life till she came here to make her home with her son.

She was the mother of four boys and four girls. Two of her children died in infancy. She had nineteen grandchildren and six great-grandchildren. Mrs. Flaherty was very happy during her short residence in Antioch and was keenly interested in the affairs of the community. Death was the result of a acute gall bladder attack.

She was buried from St. Genevieve's Church in Chicago.

Besides the relatives, friends and parishioners from St. Peter's, Bishop Cousins of Chicago, Bishop McNamara of Joliet, sixteen monsignors and about sixty priests attended the funeral Mass. A number of members of religious orders also were present. Burial was at All Saints Cemetery, Des Plaines.

## Lake County Gold Star Mothers Club Formed

Gold Star mothers of Antioch area are being invited by Mrs. Russell H. Edwards of 2017 Waverly pl., Waukegan, to attend a meeting of the newly formed Gold Star Mothers' club at her home at 2 p. m. next Wednesday.

The organization was formed a week ago yesterday at the home of Mrs. Frank Mack in Waukegan and Mrs. Edward was elected president. All women who lost their sons in service of their country are eligible and invited to join. Chapter meetings will be held the fourth Wednesday of each month.

### Economic Highlights

For many years there has been agitation to change, through Constitutional amendment, our method of electing Presidents, by abolishing the electoral college system as it is now constituted and replacing it with a system based on the popular vote. It now looks as if this proposal has an excellent chance of becoming law.

If it does, it will revolutionize the established pattern of political campaigning.

Under the existing system, the candidate who gains a majority in a state gets the entire vote of the state in the electoral college. It doesn't make any difference how bare that majority may be. He might carry a state by but a single popular vote—yet he would get the whole electoral vote, and that is the vote that counts.

The constitutional amendment which is now pending provides that each candidate's electoral vote shall be proportionate to his popular vote. In other words, if a man received 51 per cent of a state's popular vote he would get that percentage of the state's electoral votes instead of all of it. And if, on the other hand, he got 49 per cent, he would be given that part of the electoral vote instead of none.

The influence this would have on campaign politics is obvious. For instance, the Republicans never spend much money or exert much effort in the Solid South. They know that their chance of gaining a majority in any of those states is but one short step removed from impossible. However, under the proposed new system, it would behoove the GOP to do its utmost in, say, Tennessee no less than in Ohio. Every

Republican vote, even though the total was still modest, would help their candidate toward the White House.

By the same token, Democrats would no longer just go through the motions of campaigning in solidly Republican states such as Vermont. They'd be out to get the largest proportion of the vote possible.

President Truman has said he doubts if the proposed change can be effected in time to influence the 1952 campaign. But, as Jay Hayden points out in one of his columns, "All constitutional amendments recently adopted have run the gamut of state ratification in less time than would be available to complete enactment of the present proposal before 1952." The amendment repealing prohibition became law about ten months after it was submitted to the states. The amendment abolishing the "lame duck" session of Congress made the grade in 11 months. The amendment legalizing woman's suffrage was approved in 14 months.

In any event, it promises to cause important and far-reaching changes in the partisan political setup as it now exists.

### The Low Down From Hickory Grove

In congress some of the lads there seem a little slow, or maybe lazy—their heart might be in the right place, but sometimes they act like they might not have been around too much—act kind of yokel-like. Today the latest thing that has them befuddled is this REA.

The REA is a kind of nice sounding, theoretical, innocent looking piece of skulduggery clothed in sheep's raiment. REA gets its dinero by vote of congress. It is big dinero—in the big millions—and tax free—it is our money.

The cat is now out of the bag—there is no more beating around the bush saying the Govt. is just disposing of electricity as a by-product left over from flood control via which excuses Sambo first put a foot in the powerhouse door there at TVA and other places. It was Socialism then, it is Socialism now—it is time that Congress is put wise to this latest scheme where the REA is dealing out our income donations for a tax-free socialist co-op steam power station just a few miles there above Kansas City. A steam station—no by-product alibi, this time.

So the boys there in congress—get hold of yourselves—show us you been around—don't be a green-horn, perpetual.

Yours with the low down,  
JO SERRA

Nash sales growth since the war has been more than  
4 times as great as that of the Automotive Industry as a whole\*...

# WHY NASH?

\*In the four post-war years just ended, Nash sales have increased 95.7% over the same period pre-war, while the industry registered only a 21.3% gain, post-war over pre-war.

**Why Nash?** Because Nash has consistently led in the power parade—builder of valve-in-head engines for a third of a century—a leader in high compression.

Because today Nash alone builds a valve-in-head engine of 7.3 to 1 compression ratio that utilizes regular gasoline.

**Why Nash?** Because Nash was first with automatically-controlled, pressurized heating and ventilation, probably the greatest single health, comfort and safety feature of the modern automobile.

Because today's Nash Weather Eye Conditioned Air System is still first in efficiency and in safety—with fresh, untainted air drawn from outside, above the engine compartment.

**Why Nash?** Because Nash has been first and foremost in advocating—and delivering—greater gasoline mileage.

Because Nash today builds a big full-size car that delivers more than 25 miles to the gallon at average highway speed.

**Why Nash?** Because Nash was first to mass-produce the Unitized, welded body-and-frame car that is more rigid, durable, safer and free of squeaks and rattles.

Because today, 12 billion owner miles have proved that Unitized Nash Airflyte Construction has set a new standard for long life and economical operation.

**Why Nash?** Because today's Nash Air-

flyte cars by scientific wind-tunnel test have been proved to have 20.7% less air drag than the average of 10 other cars tested—with noticeably less wind-noise, less fuel consumption, and noticeably greater stability.

**Why Nash?** Because Nash was first to attack the problem of rust by Bonderizing and by more durable baked enamels.

Because today all sheet metal parts of a Nash Airflyte are many times more resistant to wear and fading.

**Why Nash?** Because today's Nash Airflytes offer more combined passenger and luggage space, dollar for dollar, than any other car.

**Why Nash?** Because Nash has been years ahead in the development of the car interior. First to have the curved, one-piece windshield on all models, and Uniscopie—and today is the only car offering an Airliner Reclining Seat and Twin Beds.

The Woman's Society of Christian Service will hold its quarterly pot luck dinner to celebrate the January, February and March birthdays of new members and friends at the regular meeting at the church on Wednesday afternoon, April 5 and all are welcome. Following the devotional period and business meeting, a silent auction will be held. W. S. C. S. sponsored the church

Family Night supper at the church Wednesday night this week when the picture "King of Kings" was shown after the supper.

The teachers of the church school held a meeting at the church last Sunday afternoon and, with a Chicago worker in Intermediate work, spoke on that work. The meeting lasted from 3 to 5 p. m.

Open house at the parsonage next Sunday afternoon when Rev. and Mrs. Harrison will be glad to welcome you. Many improvements have

recently been made, the greatest of which is the installation of a new heating system at the parsonage.

The Pinochle club met Tuesday last week with Mrs. Neil Reidel at her home for pot luck dinner followed by games of pinochle during the afternoon.

Mr. and Mrs. John Meyer are receiving congratulations on the birth of a daughter at St. Therese hospital on Monday, March 6. Mrs. Meyer received her nurse's training at the same hospital.

Mrs. Neil Reidel and Mrs. Marie Hamlin were Waukegan shoppers last week Thursday.

Mrs. Joe Nader, Sr., and Mrs. Joe Nader, Jr., entertained a number of ladies at a stork shower at the recreation room of the fire station Monday evening in honor of Mrs. Ralph Nader and her daughter, who received many beautiful and useful gifts for the baby.

Charles Von Oeyen went Saturday to Chicago to attend an anniversary dinner at the home of his son there. He returned Monday.

Mrs. Edna Cable will hold a public sale at her farm south of town on Monday, March 20.

Mr. and Mrs. Lawrence Loescher and family, of Millburn vicinity were guests of the Neil Reidel family last Saturday evening.

The Lake Villa Community Men's club met at the school gym on Tuesday evening for Swiss steak dinner followed by business meeting. Harry McNamara, one of the country's best known sports writers, was speaker of the evening. The opening of a township library and resumption of Boy Scout activities are two main projects of the Club at the present time.

George Helm entered St. Therese hospital Monday for observation. Bernie Ray Schneider had his tonsils removed Monday.

## TO THE VOTERS OF LAKE COUNTY

My name will appear on the Republican ballot in the  
Primary election to be held Tuesday, April 11, 1950,  
as a candidate for COUNTY CLERK of Lake County.  
Knowing that a personal campaign, because of my  
present duties will be greatly curtailed, my appeal for  
votes must be made through the columns of the news-  
papers. I will make every possible effort to see you,  
but should I fail to do so, I know you will understand.  
Any assistance you may give me will be gratefully  
appreciated.

## Upon My Record I Ask for Your Vote

I can offer no stronger proof of my honesty, ability, integrity and willingness to  
work, than my record during the years  
I have served you in the County Treas-  
urer's office, which is closely associated  
with the County Clerk's office, and the  
past six years in the Coroner's office. My  
association with the County's Financial  
Department and the experience I have  
gained as a County Official have given me  
the opportunity to acquaint myself with  
the duties of the County Clerk's Office. This  
knowledge will enable me to administer the  
duties of COUNTY CLERK efficiently as  
ensuring the public every courtesy and ac-  
commodation possible as a Public Servant.

**MILLBURN**

The Rev. L. H. Messersmith's sermon title for the eleven o'clock worship service Sunday, March 17 will be "A Cheerful Giver." The new hymnals will be dedicated at this service. Come and bring your friends.

Mr. Tagliacop, a native of the Philippines and a Fellowship student at Chicago Theological seminary, will be the speaker at the special Lenten services Sunday evening.

Karl Isakson, guest speaker at the evening service last Sunday, Robert January and Miss Marion Miller were dinner guests at the Messersmith home Sunday evening.

Mrs. Webb Edwards returned home Sunday after a two weeks' visit with her sister in Indianapolis. Mrs. Herbert Messner, president

of Millburn unit of Home Bureau, entertained the officers and chairman of various committees of the unit at her home Friday afternoon. Those attending were Mrs. Carl Anderson, Mrs. Oscar Neahous, Mrs. Frank Edwards, Mrs. Raymond Laursen, Mrs. Robert Murrie, Mrs. Otto Mara, Mrs. John Dostalek, Mrs. Emmet King and Mrs. Gordon Bonner. Several chairmen were unable to be present.

Mr. and Mrs. Charles Mills of Waukegan were callers at the Savage home Sunday afternoon.

Millburn unit of Home Bureau will meet at the home of Mrs. Herbert Messner Friday afternoon at one o'clock with Mrs. Don Holum as co-hostess. The major lesson "Improved Techniques in Home Sewing" will be given by County Home Adviser, Mrs. Helen Volk.

Mr. and Mrs. Frank Hauser drove to Stephenson, Mich., last Friday

and spent several days with the Ray Hauser family. Their son, Ray, was hospitalized for an appendectomy last week.

The members of the Mylo club will meet with Mrs. L. H. Messersmith Thursday evening.

Mr. and Mrs. Frank Edwards spent Thursday evening at the John Edwards home in Libertyville.

Mr. and Mrs. Tom Cosgrove of Elmhurst and Mrs. Helen Christensen and family of Union Grove spent Sunday with their parents, Mr. and Mrs. O. P. Neahous.

Mr. and Mrs. Herbert Messner and son, Herbie, spent Monday in Chicago.

Mr. and Mrs. William Goellner of Chicago spent Sunday evening at the Herbert Messner home.

**Thawing Fillets**

If you prefer to thaw fillets, leave them in the refrigerator and thaw them gradually. Thawing them in water is not recommended as it tends to rob them of flavor and destroy the texture. Plan to cook the fish as soon as it is thawed. Don't attempt to refreeze for there is danger of spoilage.

**Hallstones**

Hallstones are made of layers of compact snow and ice, formed about a central core like an onion. They are built up like this through the freezing of rain drops and successive gathering of coatings of snow and frost.

**Record Temperatures**

According to the U. S. weather bureau, the highest temperature ever recorded was 138 degrees F., recorded at Azizia, Libya, North Africa, on Sept. 13, 1922. The record low, of 90 degrees below zero F., was registered on Feb. 5 and 7, at Verkhoyansk, Siberia.

**Build up Litter**

When the pullets are being put in the laying house is a good time to start the use of built-up litter. Poultry specialists explain that a thin layer of litter is spread over the floor and as it breaks up another layer is added about every two weeks.

## Children's Toys

Playthings everywhere have been influenced by modern science, transportation, and living in general. Among today's mechanical gadgets of play are cars that park themselves, intricate train systems and land-equipped canals; little sinks with running water; planes that drop bombs; and chemical sets that use real atomic-energy materials.

## SALEM

## STAR Metal Boats

The flat bottom Standard Resort has proved its value season after season as a first class, low-priced fishing, family, and pleasure resort boat. Of similar construction to other STAR boats, this model differs mainly in that it has built-in air chambers instead of the separate, removable type. These chambers are riveted and soldered to the sides and bottom of the boat in the bow and stern, serving as seals.

Included are such features as sturdy angle-iron gunwale, wood floor-racks, anchor pulley, wood motor block, oarlocks, exclusive press-forged keel, and heavy channel steel framework. Finished in aluminum and green. Oars are \$6.00 per pair extra.

Why should you pay full price for a head of cauliflower that's "under the skin" or for fruits that have been bruised in shipment . . . or for any item of produce that isn't top grade and quality? A&P saw no good reason . . . and now, with A&P's wonderful way of selling fresh fruits and vegetables, you are assured of full value for your money. A&P's expert produce checkers carefully check every crate and basket that comes in . . . the head of lettuce that's too small . . . the pears and apples that have been bruised . . . these and all other items that don't come up to top grade are weeded out, and

## REDUCED IN PRICE AND PUT ON A&amp;P'S SPECIAL "QUICK SALE" TABLE

While these rejected fruits and vegetables may be perfectly good, they're just not good enough for A&P's regular produce displays. This inspection and weeding out goes on constantly throughout the day, and anything which has become blemished by handling is immediately transferred to the "Quick Sale" Table and reduced in price. Don't you agree that A&P's produce policy assures you of getting fruits and vegetables at their finest and freshest . . . at prices that assure you of full value for your money? Come and see for yourself!

1. ONLY UNIFORM SIZES AND GRADES GO ON PRODUCE RACKS. Eagle-eyed inspectors check each produce shipment on arrival and select for A&P's produce displays only fruits and vegetables of uniform sizes and grades.

2. ALL OTHERS REDUCED AND PUT ON "QUICK SALE" TABLE. Fruits and vegetables that vary in size and grade, but are excellent values, too, are placed on the Quick Sale Table at reduced prices.

3. FREQUENT CHECKING . . . NOT ONCE BUT SEVERAL TIMES EACH DAY. Several times a day, all produce on the racks is rechecked, and items not holding top condition are transferred to the "Quick Sale" Table.
